

Host this motivating and fun workshop for your community
and start the year off inspired!

GOAL SETTING USING FENG SHUI

AVAILABLE DECEMBER 2012 – FEBRUARY 2013

An interactive 2-hour workshop hosted by Cristin Zegers,
Feng Shui Consultant with Inspired Living

WORKSHOP DESCRIPTION:

Participants will be guided through an introduction to the principles of Feng Shui and will learn ways to use this ancient practice, along with tools such as affirmations and visualization, when setting goals for the New Year. Learning how their environment can support their vision of health, success, and happiness, all will leave with an action plan to anchor their specific goals by creating a space that supports positive change and personal growth.
